SAP Mentors

What is the SAP Mentors Program?

- The SAP Mentors Program is a global advocacy program that identifies and recognizes exceptional and high-value members of the larger SAP ecosystem.

What do SAP Mentors do?

- SAP Mentors engage in **COLLABORATIVE ACTIVITIES** in their area(s) of expertise that proactively **IMPROVE** or **INFLUENCE PRODUCTS AND SERVICES OF SAP**. They also encourage and foster the **relationships between SAP and its customers, partners, and prospects**.
